

Kevin Lamoureux has served as Education Lead for the National Centre for Truth and Reconciliation, Associate Vice President for the University of Winnipeg, and as Scholar in Residence for several school divisions.

He is an award-winning scholar with an impressive publication and research grant record, and has consulted for governments, organizations and institutions across Canada. His most recent book contribution, for *Ensouling Our Schools* with Dr. Jennifer Katz, is being used by educators across Canada working to create inclusive spaces for all students. He has been seen on TV, in documentaries, in print, and in the media. More than anything, Lamoureux is committed to reconciliation and contributing to an even better Canada for all children to grow up in.
